

ONLINE FOOD ORDERING SYSTEM

Introduction

- A web-based system for ordering food online.
- Customers can view menu, add items to cart, and place orders.
- Admin can manage food items and track orders.
- Advantages:
 - Reduces manual work
 - Faster service
 - Accurate billing

Objectives

- Provide a user-friendly interface for customers.
- Store user, order, and food data in a database.
- Enable admin control over menu and order status.
- Ensure secure login and registration with password hashing.

Features

User Features

- Registration and Login
- Browse food menu by category
- Add items to cart and update quantity
- Checkout and view order history

Admin Features

- Admin login and dashboard
- Add, edit, delete food items
- View all orders with user details
- Update order status (Pending, Delivered)

Technology Stack

- **Frontend:** HTML, CSS, Bootstrap (optional)
- **Backend:** Python with Flask Framework
- **Database:** MySQL
- **Security:** Password hashing using Werkzeug
- **File Uploads:** Images stored in static
- **Session Management:** Flask sessions for cart and login

Database Structure

Users Table

- user_id, name, email, phone, password

Food Items Table

- food_id, name, description, price, image, category

Orders Table

- order_id, user_id, total_amount, status, order_date

Order Items Table

- order_item_id, order_id, food_id, quantity, price

Relations

- Users → Orders → Order Items → Food Items

Conclusion & Future Scope

Conclusion:

- Simplifies online food ordering for users.
- Admin can efficiently manage menu and orders.
- Cart and checkout system implemented with session management.
- Passwords are securely stored using hashing.

Future Enhancements:

- Integrate online payment gateway.
- Add user ratings and reviews.
- Create mobile application version.
- Enable real-time order tracking.

The background is a light gray, textured surface resembling paper. It features several green geometric elements: a large, dark green shape on the top left; a smaller, lighter green shape on the top right; a horizontal green line below the top right shape; a horizontal green line near the bottom left; and a large, dark green shape on the bottom right. The text "THANK YOU" is centered in a bold, dark green, sans-serif font.

THANK YOU
